Intermediate School District

Allegan Area Educational Service Agency Area Career and Technical Education Millage Proposal (Restoration of Headlee Reduction)

This proposal requests additional millage to permit the continued levy by the intermediate school district of the maximum mills for area career and technical education previously approved by the electors.

Shall the current charter limitation on the annual property tax rate for area career and technical education in Allegan Area Educational Service Agency, Michigan, be increased by 0.0262 mill (\$0.0262 on each \$1,000 of taxable valuation) for a period of 15 years, 2020 to 2034, inclusive (this increase will allow the intermediate school district to levy the maximum rate of 1.78 mills previously approved by the electors that has been reduced as required by the Michigan Constitution of 1963); the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2020 is approximately \$81,244 from local property taxes authorized herein?

Yes

No

Wayland Union School District Operating Millage Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Wayland Union School District, Allegan, Barry and Kent Counties, Michigan, be renewed by 18.1773 mills (\$18.1773 on each \$1,000 of taxable valuation) for a period of 4 years, 2021 to 2024, inclusive, and also be increased by 0.2097 mill (\$0.2097 on each \$1,000 of taxable valuation) for a period of 4 years, 2021 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2021 is approximately \$4,187,613 (this is a renewal of millage that will expire with the 2020 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

Yes

No

↓	↓	Local School District
<b>Democratic Party Section</b>	<b>Republican Party Section</b>	<b>Lowell Area Schools Building and Site Sinking Fund Replacement Millage Proposal</b>
<b>Congressional</b>	<b>Congressional</b>	<p>This proposal, if approved by the electors, will replace and extend the authority last approved by the electors in 2013 and which expires with the 2020 levy for Lowell Area Schools to levy a building and site sinking fund millage. This proposal allows the use of proceeds of the millage for all purposes previously permitted by law as well as newly authorized security improvements and the acquisition or upgrading of technology. Pursuant to State law the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.</p> <p>Shall the limitation on the amount of taxes which may be assessed against all property within the school district of Lowell Area Schools, Kent and Ionia Counties, Michigan, be increased by and the board of education be authorized to levy a new additional millage of not to exceed 1 mill (\$1.00 per \$1,000 of taxable valuation) to create a sinking fund to be used for the construction or repair of school buildings, for school security improvements, for the acquisition or upgrading of technology, for the purchase of real estate, and all other purposes authorized by law, for a period of six (6) years, 2021 through 2026, inclusive (estimated to provide revenues of approximately \$907,580 in 2021)?</p> <p align="right">Yes <input type="radio"/></p> <p align="right">No <input type="radio"/></p>
